- Practice answering potential interview questions in a safe environment
- Prepare questions that you should ask a potential employer

## THE MISSING PEACE OF THE DECISION MAKING PROCESS *(Hint: it's not a typo)*

**How to Bring Clarity, Focus and Insight to Your Decisions**

You will Learn:

- How to Recognize Different Decision Making Styles
- How to Balance the Emotional Elements of Decision Making
- Why We Worry and What to Do About It
- How to Shift From Worrying to Planning
- How to Work for What Should be and Deal with What Is
- A Proven Technique to Calm Your Mind
- How to Bring Clarity, Focus, and Insight to Your Decisions

### Your Seminar Leaders

*Tony Crocamo* is the Manager of Corporate marketing for Buchart Horn, Inc, an International Engineering and Architectural firm based in York, PA. He has nearly 30 years of experience in planning, preparing, and presenting professional presentations and training sessions. He reserves time each year for free training sessions in recognition of the generous help he has received, and continues to receive, from family, friends and associates. Visit his website at [www.SpeakingofMindfulness.com](http://www.SpeakingofMindfulness.com).

*Dr. Dilip Abayasekara*, CEO of Dr. Dilip, LLC is a speech coach, trainer, and inspirational speaker who delights in helping people unleash their communication and performance potential. He has successfully coached a number of professionals on how to excel at job interviews and offers his services free several times a year, as a token of gratitude for the generosity that he has received from many people over the years. Visit his web site at [www.drdilip.com](http://www.drdilip.com).
